FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

The proposed legislation would allow victims of sexual offenses to have their name redacted from court records in the criminal case in which they are a victim prior to those records being released to any person. The name of the victim could be provided only to law enforcement, prosecuting attorneys, and the defendant's attorneys.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
